Experience

welcome to the Hair Spa

It is our aim to ensure your visit is relaxing and memorable. Our friendly team of stylists are dedicated to advise you on any treatments and products you require and to ensure your treatments are carried out professionally.

Just enjoy a full relaxation experience...

We also run a highly successful training school where our trainees offer hairdressing at discounted prices under the supervision of qualified trainers.

We welcome both members and non members of the health club to visit us 7 days a week. Keep your hair up to date with the latest fashion trends. We only use the best products and invest in on-going training to ensure our salon remains at the cutting edge of the services we provide.
