Welcome

[www.thorntonhallhotel.com](http://www.thorntonhallhotel.com)

Thornton Hall is central to the beautiful and interesting attractions of Wirral, Chester and Liverpool.

The Wirral Peninsula offers a range of beautiful villages, set in idyllic locations, and extensive coastal walks for peace and relaxation. The picturesque villages of Thornton Hough and Port Sunlight were both built by Lord Leverhulme for his employees of Lever Brothers and offer a beautiful setting for a leisurely walk. For the more energetic, there are numerous golf courses, in particular The Royal Liverpool Golf Club, the venue of the 2006 Open.

The historic Roman Walled City of Chester, with its distinctive architecture and town crier (during the summer months) is a lovely city to visit. The city has Britains largest Roman Amphitheatre, a gothic cathedral and its own racecourse.

Liverpool, with its many museums and art galleries along with the Albert Dock and its maritime history are a real must for visitors. Why not take a trip on the World Famous "Ferry 'cross the Mersey", or visit the Beatles Story and the city's 2 Cathedrals. The music, shops and vibrant night-life make for an exciting visit.

With our wealth of expertise and its wonderful setting, Thornton Hall continues to be innovative - our 'Garden Pagoda' will give your delegates an experience they will talk about for weeks to come!

Imagine having a board meeting or a conference lunch or dinner in this unique 'room', amid the landscaped gardens of Thornton Hall. It was made by a small community of Amish carpenters, a shy religious sect, living in the heart of the USA.

Please ask to speak to our Conference & Events team on **0151 336 3938** for further details.
